Charlie, as I explained, I had been reluctant to remove the references in the attached letter to the First and Second stages of our clients' agreed ADR protocol. In our conversation today you reconfirmed my understanding that the parties are in agreement that we are following the First and Second Stages as outlined in the July 9th letter. Both sides are doing so while reserving their respective positions regarding the Third Stage.

In light of our discussion, I've made your requested changes and signed the attached letter so that you can forward it to the mediator. Have a good weekend.
